Reasons for allowance

1. This communication is in response to applicant's 11/07/2007 amendment in the application of Payne et al. for the "Providing a corrected delivery address" filed 09/18/2003.

This application claims priority from provisional application 60/412,030 filed 09/20/2002. The proposed amendment has been entered and made of record. Claims 1, 5, 7, 11-13, 17, 19, 23-37, 41, 43, 47, 48 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

IN THE CLAIMS:

Claims 25-36, line 1: "A tangible computer-readable medium" is changed to -- A program on a computer-readable medium--

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Claims 1-48 are allowable as evident by applicant's amendment.

6. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest wherein comparing the plurality of first data elements to the second data element; receiving an indication that none of the second portions of the plurality of first data elements match the corrected version of the second portion of the second data element; in response to the indication, producing a first set of condensed versions of the plurality of first data elements and comparing the first set of condensed versions to a proprietary database comprising a second set of condensed versions of a second plurality of first data elements and corresponding plurality of second data elements; verifying that at least one of the condensed versions of the first set matches at least one of the condensed versions of the second set; and providing, based on the verifying, a link associating the second data element with the first data element, as specifically recited in the claims.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
